Dear Colleagues

We have now expanded our website on advertising materials. It now includes not only catalogues and brochures but also our didactic posters and other useful articles for your customers (e.g. a timetable or a birthday calendar). You can find all these on our website and download anything you need to see. Your contacts at Hueber will of course send you any of these materials that you might require by normal post.

We wish you every success using them.

1. German for vocational purposes

Alltag, Beruf & Co. 5

With the publication of the fifth volume in the **Alltag, Beruf & Co.** series, levels A1/1 - B1/1 are now complete. This new course for beginners combines language used at work with that from everyday situations and thus prepares learners for both meetings and lunch break conversations, official presentations and informal parties. It is ideally suited for students who are learning German for professional reasons and who would like more communication practice.

Teaching German + literacy

Schritte plus Alpha 1 is available!

Schritte plus Alpha is the ideal course for teaching German in combination with literacy. The four-colour coursebook with audio-CD offers a comprehensive and well-founded concept that guides learners "from letter to syllable, from syllable to word, and from word to text" - and all in one book without the annoyance of having to search for supplementary material. The first volume of the three-volume course has now been published.

New in our series "Leichte Literatur" with readers/audiobooks for learners at level A2: Der zerbrochene Krug

Do you find having to read literature in a foreign language frustrating and boring? Well, it needn't be! Our series of readers **Leichte Literatur** makes the experience both enjoyable and entertaining right from the very first line.

2011 is "Kleist Year". To suit the occasion the reader/audiobook **Der zerbrochene Krug** after a comedy by Kleist has now been published: Adam, the local village judge, wakes up one morning with a terrible headache ...
