Dear Colleagues

With the publication of the coursebook C1/2 in the **Ziel** series, levels B2 - C1 are now complete. **Ziel C1/2** practises both the written and spoken language you need in order to react appropriately in different situations - in the private sphere, in your job, during your studies or for official communication purposes such as dealing with the authorities.

Moreover, the **Interactive Teacher's Book B2/1** has also been published in the **Ziel** series. Learn more about this title in our first section. Further new publications as well as readers for children are presented in this newsletter.

With all good wishes

Your Hueber Sales Team

Teaching German + literacy

Schritte plus Alpha 2

Schritte plus Alpha is the ideal course for teaching German in combination with literacy. The four-colour coursebook with audio-CD offers a comprehensive and well-founded concept that guides learners "from letter to syllable, from syllable to word, and from word to text" - and all in one book without the annoyance of having to search for supplementary material. The second volume of the three-volume course will soon be published.

The intermediate-level course (B1 plus to C1) for adults

Ziel B2/1 Interactive Teacher's Book, DVD-ROM

The interactive and user-friendly teacher's handbook on DVD-ROM eases classwork preparation and goes far beyond a regular teacher's handbook. Teachers not only have access to coursebook content and accompanying materials, they can also use the information of didactics and methodology together with user-friendly tools to plan their lessons particularly effectively.
