Dear colleagues

The course- and workbooks **MENSCHEN A1/1 and A1/2** as well as the media package **MENSCHEN A1** have now been published. **MENSCHEN** is our big new course for learners from the age of 16 and upwards (level A1-B1).

Psychologists and neurologists involved in the study of teaching methods all agree: a recipe for language teaching does exist that can move, change and motivate learners more. **MENSCHEN** converts their findings into a new and transparent courseware concept. The course is emotional and entertaining, has lessons of manageable length, a variety of tasks and exercise types, a style and appearance that appeals to all senses.

For advertising to your customers, your contacts at Hueber can provide you with the brochure

MENSCHEN bewegen.

Wishing you every success with **MENSCHEN**
