General English Practice Online: CEFR levels A2- C2

The Common European Framework of Reference for Languages is increasingly becoming the backbone of English language teaching courses.

The progression of linguistic ability is easily identifiable in the level bands:

A Basic User

A1 Breakthrough

A2 Waystage

B Independent User

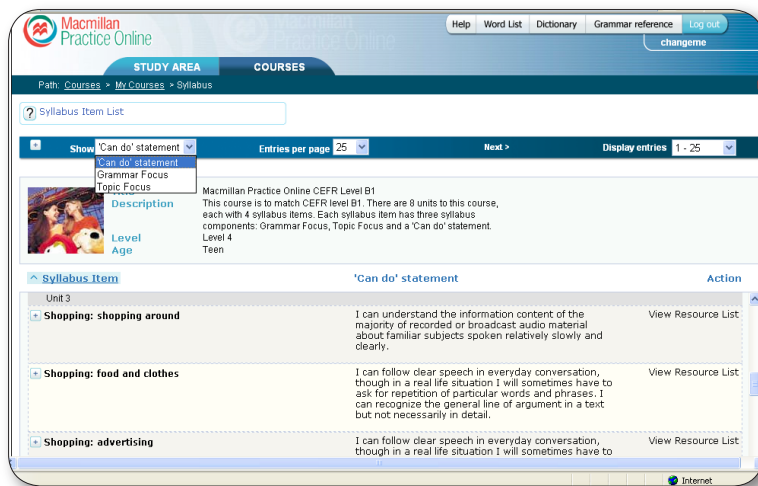

B1 Threshold

B2 Vantage

C Proficient User

C1 Effective Operational Proficiency

C2 Mastery

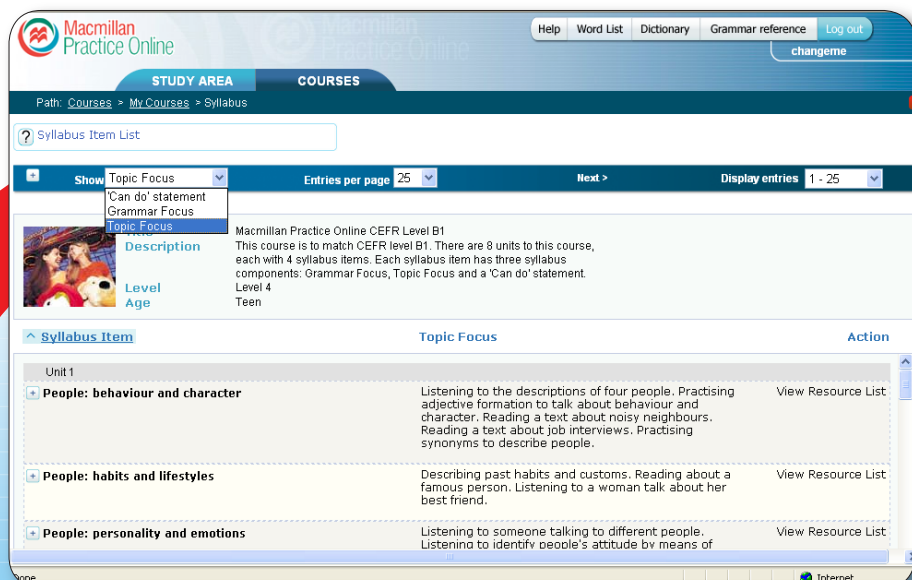

Each level is defined by a set of 'Can do' statements. For example, "I can develop an argument systematically, giving appropriate emphasis to significant points and presenting relevant supporting detail." (CEFR C1)

'CAN DO'

Macmillan Practice Online has produced five interactive courses from A2 level to C2 level (in both British and American English) that tailor the language input to build up the 'Can do' statements.

These can be clearly pinpointed on the main syllabus page and are not only a handy reference tool for the teacher but also give students an objective, a clear goal and ultimately a greater sense of achievement.

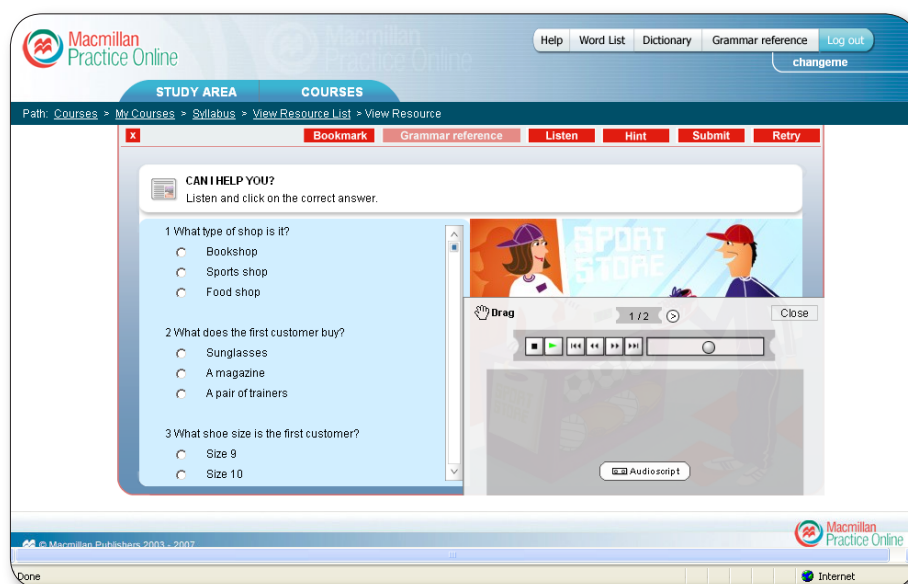

Topic-based input

There are 8 topic-based units for each of the General English Practice Online CEFR levels that cover the core vocabulary and language input for the relevant CEFR level. These unit menus are further broken down into resource lists that focus on the skills, vocabulary and language input that are needed to meet the 'Can do' statement.

In-depth practice

Each activity has been chosen to allow students to build up the language skills, vocabulary and grammar they need to confidently fulfil the 'Can do' statements.

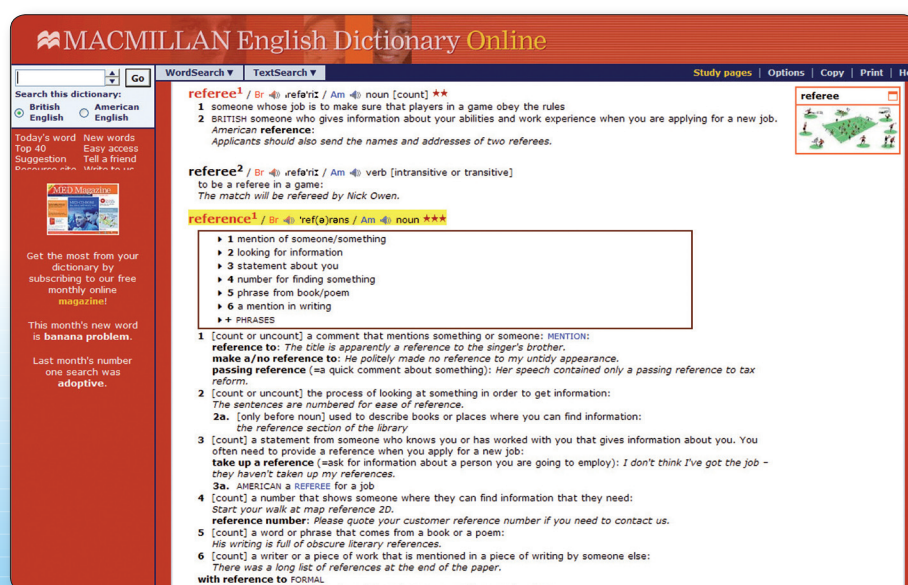

Grammar support

All MPO students have access to a comprehensive database of over 430 grammar reference units, each including a detailed explanation, learning tips and an interactive activity for reinforcement. No student need struggle with a grammar point while they are practising with MPO.

Award-winning ELT dictionary

All MPO students have instant access to the Macmillan English Dictionary Online, helping students extend their vocabulary, improve pronunciation and become confident, independent learners. As well as highlighting over 7,500 of the most frequently used words in English, the dictionary contains pronunciation guides for all words in British and American English, grammar and vocabulary reference material and an interactive atlas. This makes Macmillan English Dictionary Online an invaluable learning tool.

Frequently asked questions

How do I order?

MPO is available via our website, www.macmillanpracticeonline.com. You can also order via your local Macmillan representative or through your local book supplier when you order your coursebooks. It's as easy as that: just quote the ISBN of the MPO course and tell your supplier how many logins you want to order. We will then supply you with logins to give to your students. Your school will receive an invoice in the usual way.

How long does the login last?

Each login ID will be valid for a year, from the date that it is activated.

Do I need a coursebook to use MPO courses?

You can use MPO as supplementary material to a coursebook either in class or for homework. You can also use MPO on its own to provide the core content of the course. How you use it will depend on your teachers' preferences and your learners' needs. For ideas on how to use MPO in class and for homework, visit our teacher support area at www.macmillanpracticeonline.com.

What equipment do I need?

With MPO there is no need for specialist equipment. Your students simply need to be able to access the internet, whether on a PC or Mac. There are no local hosting or software requirements. Students can practise with MPO anytime and anywhere they have access to the internet. There's nothing to download, upload or install, just log in and go...

Can I see a demonstration?

Your local Macmillan representative can arrange a demonstration. Alternatively, visit our website www.macmillanpracticeonline.com to see some sample exercises and an animated demonstration.

Can I sell on logins to my students?

Just like other course materials, logins can be included in course fees or sold separately. With MPO the choice is yours.

How many can I order?

There is no upper limit on how many logins can be ordered. In order to pay by invoice, a minimum of ten logins must be purchased. Credit card payments can be made via www.macmillanpracticeonline.com and are not subject to a minimum order requirement.

How much does it cost?

Each level of General English Practice Online costs £10 (excluding 15% VAT for orders in the EU). The price includes one year's access (24 hours a day, 7 days a week) to a resource containing up to 250 interactive activities, plus access to the Macmillan English Dictionary Online and the Grammar Support database of over 430 activities. MPO is incredible value for money!
