

Unit 6, lyrics “I Can’t Sleep”

1

I can't sleep. I am so hungry.
I'd better get up and see what's in the fridge.
Oh, there's some cheese and bread and butter.
That's a nice little snack.
Let's have some cheese and bread and butter,
and then let's go back,
back to sleep ... back to sleep ...

2-5

I can't sleep. I am still hungry.
I'd better get up and see what's in the fridge.
Oh, there's some
(2) bacon and tomatoes.
(3) shepherd's pie and roast beef
(4) mushrooms and potatoes
(5) scrambled eggs and dumplings
That's a nice little snack.
Let's have some ...,
and then let's go back,
back to sleep ... back to sleep ...

6

I can't sleep. Now I am thirsty.
I'd better get up and see what's in the fridge.
Oh, there's some beer, and coke, and smoothies.
There's a lot I can drink.
Let's have a beer, a coke, a smoothy,
After that, I think,
I can go to sleep,
back to sleep.
