

Unit 10, video script

Man: Hi!
Woman: Hi.
Man: So let's go! Do you come here often?
Woman: Mondays and Fridays.
Man: Oh, do you do aerobics with Brian?
Woman: No. I don't like doing aerobics.
Man: Oh. Neither do I. What about jazz dancing? Heather has a group on Wednesdays.
Woman: No, I have a problem with my shoulder.
Man: Oh dear.
Woman: Yes. I work at a computer all day. It's really bad for you. I have shoulder problems and neck pain.
Man: What about yoga? There's a nice group on Tuesdays.
Woman: No. I can't do yoga. I have a bad back.
Man: Oh. I know a good place to have a massage. It really relaxes your muscles.
Woman: I can't have a massage. I'm allergic to most of the massage oils.
Man: Ah. Well, um, do you have any other health problems?
Woman: Well, I often have headaches, oh, and sometimes stomach aches.
Man: Oh, right, but, well, you can do sport?
Woman: Of course! When I don't have a blocked nose or a sore throat. I have a lot of allergies, you know.
Man: Well, um, yes. Oh, there's a friend over there. See you. Get better soon!
