

Video/Classroom activities

- 1 What colour are your shoes? Do your shoes always match the colour of your clothes? Talk to a partner.**

PRE-WATCHING

- *I never wear black shoes with brown clothes!*
- *Really? The colour of my shoes isn't important to me. I always wear my black shoes.*

- 2 Turn off the sound and watch the first minute of the video. Then tick what you think is true.**

WATCHING

- 1 They're a ☐ at home b ☐ at work.
- 2 She's a ☐ ready b ☐ not ready.
- 3 She's not sure about her a ☐ shoes b ☐ handbag c ☐ blouse.
- 4 The situation is a ☐ relaxed b ☐ a bit stressful.

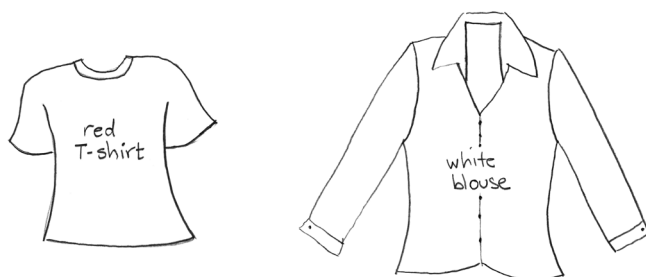

- 3 Now watch the whole video with sound and check your answers in 2.**

- 4 Watch the video again and answer the questions.**

- 1 What clothes and handbag does she choose?
 - a ☐ a white blouse, black shoes and a big handbag
 - b ☐ a white blouse, red shoes and a small handbag
 - c ☐ a white blouse, black shoes a small handbag
- 2 What does she think is better?
 - a ☐ his brown shirt with black shoes
 - b ☐ his white shirt with black shoes
 - c ☐ his red shirt with brown shoes

- 5 What about you? There's a party at your language school next weekend. Draw some clothes and accessories on a piece of paper in different colours. Then walk around the classroom and ask your classmates what they like.**

POST-WATCHING

- *What about this white blouse? Is it OK?*
- *Well, I think that blue one is better.*
- *Which boots are better? The black ones or the brown ones?*
