

## Unit 10, lyrics “Wedding Gifts”

If you ever want to have things you won't forget,  
just get married and you'll see the gifts that you will get.

Just the other day my friends posted a list  
of their most embarrassing and most useless gifts.

Nineteen rainbow-coloured plates, elegantly wrapped  
Handmade candles, neon red, and a fishing net

Ex-white towels with somebody else's name on them  
Two green kettles and a wok, all were second hand

Ugly, useless and embarrass-  
sing the song of awful gifts

A voucher for a pedicure, valid for one foot  
Tickets for a band they hate, bags of instant food

Seven toasters, different sizes, and four sets of pans  
An eighties light-blue tablecloth, printed with hams

Sing the song of awful gifts  
When you forget your wedding gift list  
Ugly, useless and embarrass-  
sing the song of awful wedding gifts
