

Unit 5, lyrics “Team Building Days”

Have you ever seen your colleagues sing
and dance around a campfire that they have built?
Would you eat with them only with your hands?
Then spend the night with them sleeping in tents?

Here come exciting days,
right here in Wales.
No time to laze,
team building days.

Are you clever? Are you quick? /
Are you really good at finding things?
Is your team the best at tug of war?
Will you go firewalking on hot coals?

Here come exciting days,
right here in Wales.
No time to laze,
team building days.

Once you have climbed the tallest trees
and become a master of Welsh cookery,
then you can have a good massage
followed by a whiskey tasting at our bar.

You've had exciting days,
right here in Wales.
No time to laze,
team building days.
