

Special e-newsletter

Dear reader

We are delighted to be able to present Mildnerger to you as our new publishing partner. Mildnerger is a successful educational publisher, especially at primary level in Germany, and is especially well-known for the syllable separation method. Coloured syllables help children to read better and to find spelling easier.

A selection of titles from the Mildnerger list is now immediately available via Hueber. This newsletter would like to present them to you. An information leaflet for your customers is now also available as a download.

We wish you every success.
With all good wishes
Your Hueber Sales-Team
