Dear Julia,
I'm having a great ____________ here in Munich. Last night Klaus and I went to a
typical Bavarian “Gasthaus” called “Platzl”. I liked it! Klaus said, Bavarians like what
they call “Gemütlichkeit”. Well, a “Gasthaus” sure isn't like the restaurants in the States.
First of all, there's no ____________ and you don't have to ____________ for a table.
You can sit at a table with ____________. But there are no non-smoking ____________,
so it was very ____________. You don't just pay and ____________ after the meal is
__________, you can sit and ____________ for a long time. If you want to leave you
just call the ____________ to ____________. I guess this is what “Gemütlichkeit” is all about.
Wish you were here.
Love,
Brian
