1. NOVELTIES FOR TEENAGERS AND CHILDREN

Planet Plus Opens up New Worlds!

Planet Plus is the successful **new and revised edition** of our classic course. The revised edition:

- is more transparent and intuitive in its construction and content presentation,
- with its introductory lesson and magazine has new and fascinating pages to offer in the coursebook
- stands out thanks to its modern teenager-friendly design with numerous attractive photos.

Planet Plus A 1.1 has now been published.

Spielerisch Deutsch lernen, Wortschatzerweiterung und Grammatik – Neue Geschichten

Our popular series **Spielerisch Deutsch lernen** has been specially developed to improve the language competence of children. The new title **Wortschatzerweiterung und Grammatik – Neue Geschichten** supports and helps children during their first few years in school to acquire their first knowledge of vocabulary and grammar in German. Simple and entertaining exercises (e.g. drawing, matching or completion exercises) make dealing with the German language interesting and motivating.

2. NOVELTIES: VOCATIONAL LANGUAGE

Lively and Relevant: Menschen im Beruf

Specialist language helps to perfect specialist knowledge! Our new series **Menschen im Beruf** provides target-specific language training and teaches practical knowledge. **Menschen im Beruf** can also be used in conjunction with any other general language coursebook. The language progression is exactly the same as that in **Menschen** - thus enabling general and specialist language to be combined in ideal fashion! Published so far: **Tourismus A1, Tourismus A2 und Pflege A2.**

Berufssprachführer / Vocational Language Guides

Our handy vocational language guides enable you to practise German words and phrases for typical job situations or to look them up quickly. For each of these titles there is a free MP3-Download with all sentences spoken in German together with their translation at [Audioservice](#). The following titles have been published so far: **Deutsch in der Firma, Deutsch in der Pflege, Deutsch in der Gastronomie und Hotellerie, Deutsch für Ingenieure.** The vocational language guides are intended mainly for English, French, Greek, Italian, Polish, Romanian, Russian and Spanish native speakers. The series will be continued to include further source-languages and different occupations.

Qualifiziert unterrichten: Sprache und Fach

Our series **Qualifiziert unterrichten** keeps teachers of courses and advanced studies abreast of the latest developments in teaching didactics for German as a Foreign Language. The new volume **Sprache und Fach** informs about „Content and Language Integrated Learning in German“ (CLILiG) and alternative suggestions for:

- inter-disciplinary teaching of German-as-a-Foreign-Language
- the bilingual teaching of general science subjects,
- (partial) language immersion
- and the language-sensitive issue of teaching different subjects in German.
