Read the texts about three different holidays.

Jane and Steve went on a **camping holiday**. They lived in a tent and cooked over a camp- fire. They hiked in the woods and went swimming in a big lake. Steve went fishing, too. In the evening they had a glass of wine under the stars.

Katy and Kevin went on a **golfing holiday**. They played golf and tennis. They went swimming in the club pool. They had fantastic food at the club restaurant. In the evening they danced to live music at the club-house.

Anna and Patrick went on a **sightseeing holiday**. They went to galleries and museums. They visited churches and other historic places. They went shopping. To relax, they went swimming in the hotel pool. And in the evening they went to a nice restaurant and then to a concert.
